Education

Guru Tegh Bahadur Institute of Technology
Major: Electronics and Communication Engineering. Minor: Computer Science Engineering   12/2021 - 06/2025

Projects

News-Wizard
https://github.com/tushar12357/News-Wizard
- News Wizard extracts news from the news API in real time and shows it to the user.
- Its features include: infinite scrolling, distinguishing news according to genres like- science, sports etc.

Connectify
https://github.com/tushar12357/Connectify
- Connectify is a social media application built using the MERN stack (MongoDB, Express, React, Node.js).
- It includes features like user authentication, CRUD operations for posts, following/unfollowing users, and a responsive design.
- Users can interact with posts through likes and comments, making it a complete social networking experience.

Certifications

Rocket Propulsion and Spacecraft Dynamics
Indian Space Research Organization Completed the course and gained knowledge about topics like orbital mechanics, thrust vectors etc.

Management
Organized GTBIT tech fest 'SANCHAAR' as a core team member 2 years in a row. Led a team of 25 for a successful event and co-ordinated with other core team members for a successful fest
